Basic Information

Date: 5-6 December, 2017

Location: Brisbane, Australia

Link: <http://www.australiaenergystorage.com/>

Highlights

- One of the largest Conferences focusing on solar & energy storage market;
- Latest Policy & Regulation in solar, renewables, energy storage;
- Gathering key players and project owners;
- Advanced energy storage technologies sharing;
- Opportunities and Challenges for renewables expansion;
- Financing issues for renewable energy projects.

Previous Participant Companies at Solar + Energy Storage Show Series

Speakers

Who will you meet:

Ian Kay
Chief Financial Officer
ARENA

Phil Richardson
*General Manager – Energy
Consumer and Pricing*
Department of Energy and
Water Supply

Marilynne Crestias
Director, Renewable Energy Policy
Department of Environment, Land,
Water and Planning,
Victorian Government

Rainer Korte
Executive Manager
Asset Management
Electranet

Charles Rattray
*Executive General
Manager Energy Services*
Energy Queensland

Ben Woodman
*General Manager, Infrastructure
Services*
AusNet Services

Matthew Cheney
Head of Network Planning
Western Power

Simon Brooker
Executive Director
Clean Energy Financing
Corporation

Andrew Smith
Global Head of Energy
National Australia Bank

Darren Gladman
Director, Smart Energy
Clean Energy Council

Simon Kidston
Executive Director
Genex Power

Chris Leonard
Head of Solar Development
Neoen Australia

Ian Christmas
*Head of Grid Connection &
Technical*
Edify Energy

John Phillpotts
Director, Future Networks
Energy Networks Australia

Anthony Yeates
*Executive General Manager,
Business Development*
Ratch-Australia Corporation

Cameron Garnsworthy
Managing Director
Fotowatio Renewable
Ventures, Australia

Jonathan Upson
*Senior Business Development
Manager*
ESCO Pacific

Joaquin Melendez
*Business Development
Director - BES*
AES Transpower

Andrew Pickering
Chief Investment Officer
Infrastructure Capital Group

Michael Moran
Managing Director
Voltio Energy Services

Michael Pitt
*Utilities & Water
Treatment Manager*
New Century Resources

Lisa France
*Energy Director-
Australia Asia*
Hatch

Rod Hayes
Chairman
Balance Services Group

Kieran Donoghue
General Manager Policy
Australian Energy Council

John Jung
President & CEO
Greensmith

Donald McPhail
*Senior Network Strategy and
Policy Engineer*
Fron Energy

Christopher Munnings
*Senior Research Scientist, High
efficiency thermal & electrochemical
technologies*

Ian Kirkham
*General Manager,
EPC & Solar Hybrid*
Conergy Australia
